

CUPID

Cancer- Understanding Prevention
in Intellectual Disabilities

TRAINING SCHOOL TUESDAY 17 - THURSDAY 19 SEPTEMBER 2024

The CUPID Working Group 1-Interdisciplinary Co-Production Team is coordinating a Training School (TS) in Prague, which will combine in-person and virtual participation. The TS will include People with Intellectual and Developmental Disabilities (PWIDD) and their support persons. The program features cancer prevention educational training alongside five virtual presentations tailored to a diverse audience.
